

Path: I Want to Continue My Education

Course: How Do I Explore My Options for Continuing my Education?

Lesson: Types of Postsecondary Education

Instructions: Identify the type of postsecondary education you are interested in exploring. Refer to the [Types of Postsecondary Education Charts](#) for information on the different college or training options.

Select the option you would like to explore more:

Community College

College of Applied Technology

Inclusive Higher Education Program

4-year College/University

Find a person in your community who is a staff member or a student at the type of program you want to explore. Select one or more of the activities to complete. The activities will help you explore the program and consider if it's a good fit for you.

Options:

Interview a Student

College Fair

Guest Speaker

In-person or Virtual Tour

Other:

Answer the questions before, during, or after you have completed the activity you select.

Type of postsecondary education program	
Name of program	
What type of degree, diploma, or certificate can I earn at the end of this program?	
What admission requirements do I need to meet to be eligible for this program?	

Path: I Want to Continue My Education

Course: How Do I Explore My Options for Continuing my Education?

Lesson: Types of Postsecondary Education

How long will it take to complete this program?	
Are there any internships or on-the-job training opportunities included in the program?	
What are some examples of jobs students have received after attending this program?	
What supports are available for students at this program?	
What other factors should I be thinking about while considering this option?
