

Instructions: Read each scenario and decide which answer is the best option for a VR client.

1. Hope contacted her local VR office and made a self-referral. VR set up a meeting with Hope next week. What information will be important to share at the meeting?

- ☐ A list of the jobs she is interested in doing
- ☐ Her favorite college sports teams

2. Jessica's Individualized Plan for Employment (IPE) is created and signed. One of her responsibilities is to contact her VR counselor monthly. Jessica found out that her class is touring the Tennessee College of Applied Technology (TCAT) next week, and she's not sure she will be back in time for her VR meeting. What should Jessica do?

- ☐ Send her VR counselor an email and ask to reschedule the meeting
- ☐ Cancel her meeting because going on the TCAT tour is more important

3. Troy is taking two classes at the Tennessee College of Applied Technology (TCAT). His classes helped him realize that he is more interested in working with plants than data entry. Troy is thinking about dropping the data entry class since he wants to focus on horticulture. What should Troy do?

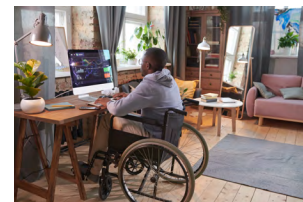

- ☐ Drop the class and let his VR counselor know at their next meeting
- ☐ Reach out to his VR counselor to talk about his classes and career interests

4. Jeff applied for VR services, and he is looking forward to hearing back about his eligibility. How long will Jeff have to wait to get the answer?

- ☐ 7 days
- ☐ 60 days

5. Devin has his first meeting scheduled with his new VR counselor. Devin is nervous about the meeting and does not want to go alone. What should he do?

- ☐ Invite his mom to the meeting to support him
- ☐ Stay home and have his mom go to the meeting for him

6. Misty is taking classes at the local community college. Most of her classes are going well, but she struggles to get to class on time. Misty sometimes misses the bus that will get her to her 8:00am class. Who can help Misty with finding a good solution to this problem?

- ☐ Misty's apartment manager
- ☐ Misty's VR counselor

7. Max's VR counselor asked Max to bring his class schedule and instructors' contact information to their next meeting. Max can't remember what he was supposed to bring. What should Max do?

- ☐ Show up for the meeting
- ☐ Ask her what he was supposed to bring to the meeting

8. Ryan is working with his Pre-ETS provider on applying to VR for services. It has been a couple of months since Ryan submitted his application, and he hasn't been contacted about his eligibility. What steps can Ryan take?

- ☐ Ryan can reach out to the VR Access the Client Assistance Program (CAP)
- ☐ Ryan can start the process over and fill out a new application

9. Michael's VR counselor helped him apply to the local community college, and he was accepted. Michael is not sure that he has all the support he needs to succeed in his classes. Who can help Michael?

- ☐ Michael's VR counselor
- ☐ Michael's family dog walker

10. Samantha is working with her VR counselor on developing her Individual Plan for Employment, also called an IPE. Samantha wants to invite people to her meeting who will be able to talk about her academic strengths and support needs. Who should she invite?

- ☐ Samantha's Pre-ETS provider, teachers, high school counselor, and family support system
- ☐ Samantha's friends
