Path: I Want to Go to Continue My Education

Course: What Community Activities Can Help Me Continue My Education?

Lesson: Experiences to Learn About College

Instructions: Read each scenario. Choose the best person or event to learn more about what college is like.

1. Jenny would like to continue her education at a community college. She is interested in going to a college campus and meeting a few students. What should Jenny do to learn more information?

- Go on a campus tour
- Go on a job interview

2. Jeffery enjoys helping other people in his community. He would like to join a service club or organization at his college. Who should he contact?

- A grocery store manager
- Students in the service club

3. Claire plans to apply to a community college. She would like to know the application deadline and understand how to apply. How can she learn more?

- Attend a radio station event
- Attend an informational session

4. Taylor is a senior in high school and wants to go to college after she graduates. She wants to learn more about living on-campus. Who should Taylor reach out to for more information?

- A banker
- A residential advisor

5. Danielle toured a local college. She would like to learn more about what a college class is like. What experience could help her learn more about classes?

- An event in the park
- A class shadow at the local college

6. Josh has been accepted at his local college. He currently lives with his family but wants to learn more about off-campus living options in college. Who should Josh contact for more information?

- A yoga instructor
- A student living in an apartment

7. Samantha toured a Tennessee College of Applied Technology, or TCAT, campus. She really enjoyed learning about the carpentry program they offer. Who could she speak with to learn more about their programs?

- A day care worker
- An academic advisor at the TCAT

8. Maddie wants to learn more about how to apply to her local college. How could Maddie learn more about the admissions process of the college?

- Talk to an admissions staff member
- Wander around campus

9. Susie plans to attend her local community college. She would like to learn more about the student organizations they have. Who should Susie contact to learn more?

- Her high school teacher
- A student involved in student organizations

10. James wants to learn more about support services available in college. How could James learn more about college support services?

- Attend a college tour
- Talk to a supervisor at the grocery store
