

Healthcare

Moving from pediatric to adult healthcare can be difficult. These resources will help families learn about health insurance and healthcare programs for people with disabilities.

[Intellectual and Developmental Disabilities Toolkit](#)

Provides information regarding healthcare for adults with disabilities, including helpful resources for appointments and modules on the relationship between disabilities and healthcare.

[Transition to Adult Health Care](#)

Guides parents through the process of transitioning their child to adult care providers by sharing important information, tips, and steps to take.

[Transition Health Plan for Youth with Disabilities and Their Families](#)

Assists transition-age youth with disabilities with assuming more responsibility for their healthcare.

[What is the Employment and Community First CHOICES Waiver Program?](#)

Provides an explanation of the Community CHOICES Waiver program, who is eligible, and what the program has to offer.

[Transition Toolkit](#)

Guides providers and families in developing transition plans for children and youth with special health care needs.
