

### Housing

Students need to prepare to live as independently as possible. These resources will help families learn about housing options for people with disabilities.

#### [Finding Housing for Youth with Disabilities](#)

Provides information on housing options for individuals with disabilities, including resources for financing housing and receiving support at home.

#### [Housing: Starting the Journey](#)

Provides an overview of options for independent living. This section is part of a comprehensive overview of financial planning for families who have children with disabilities.

#### [Housing Rights](#)

Provides information on housing rights, including the Fair Housing Act, statutes, laws, rules, and licensing.
