

## **WORK-BASED LEARNING**

Volunteering vs. Service Learning

Volunteering Service Learning		
Shorter time commitm	nent Prepares students for work	Longer, ongoing time commitment
Allows students to explore	Influences career path	Connect with organization and other participants on a
different organizations or opportunities	Enhances community responsibility Brings diverse people	deeper level May have some skill
Not directly tied with	together by unified cause No financial	requirements Learning component involves deep self-reflection
classroom instruction Projects usually developed by schools or providers
